## Parish Council News

The Parish Council are holding their Open Meeting at the Village Hall on Friday 16<sup>th</sup> May at 8.00pm and all are welcome to attend.

If you have on-going maintenance issues regarding verges, gullies and posts please contact the clerk with the location and any distinguishing features. She will attempt to action a response from relevant agencies

## Parish Plan

Officers at Ryedale District Council will present the results of the Questionnaires at the Open Meeting at the Village Hall. This will also be an opportunity to learn more about the Parish Plan and make further comments. The idea of a Parish Plan is that it identifies the needs of the local community. It provides evidence of those needs for decision makers and can also be used to support funding bids for local projects. The Parish Plan will include an action plan setting out how the Parish Council will try to ensure these needs are met.

We will use the Parish Council website to keep everyone informed on the progress of the Parish Plan, visit the website at <http://kirbymisperton.ryedaleconnect.org.uk/> Do take a look at the Parish Council website. We are slowly adding more content to the site including village events, local businesses, links to planning applications and a brief history of the village. – Paul Wicks.

## Charity Fundraising Request

Thank you to everyone for all the printer cartridges and old mobile phones that have been passed on to me so far. These have all been sent off to be recycled and any funds raised are sent direct to a charity called Myasthenia Gravis Association (MGA). MG is a rare neurological condition which causes severe muscle weakness and the charity supports people with MG and their families. So far I have raised just under £30.

I am also still collecting unwanted prescription glasses and sunglasses which I pass onto Specsavers in Malton. These are then sent to Vision. Aid Overseas who distribute them to people who need them. So far I have taken 25 pairs of glasses so a big thank you to everyone. If you are able to help with either cartridges, phones or glasses, please leave them in the box which I have left on the left hand side of the house. Thank you, Hilary Corton, 9 Shire Grove.
