The Parish Council

The Council were pleased to be able to display within 2 weeks of validation the planning application in respect of KM8 well, it was unfortunate that the poster displayed a week prior to the event had been removed by someone and therefore the only means of informing residents was via the website – for those who emailed the Clerk she apologises that this was outside her control but the validation of the plans was after the publication of the Newsletter and as the noticeboard is not locked notices put up can be removed by anyone.

The poster displayed did advise that there would be a further opportunity to view the plans and this date has been arranged for Thursday 17 September 2015 between 4:00pm and 8: pm. A poster will be again displayed – if you would like a copy of this please contact Sally at sbrown1140@blueyonder.co.uk or download from the calendar on the website.

The Council will discuss their response to the application based on the application as received on Tuesday 29 September 2015. This is the Ordinary Meeting of Council and other business may also be discussed – the Agenda will be published in the normal way.

For more information: Sally Brown on 07802788479 or email sbrown1140@blueyonder.co.uk

Neighbourhood Watch

In recent months the Ringmaster messages have begun to takeover more than half of the whole Newsletter (even with my filtering out those incidents outside our immediate area. As I already post urgent calls for information (such as suspicious cars and missing persons) on the Village Noticeboard when I receive them, rather than wait for the Newsletter, from now on I will also post the majority of the monthly Ringmaster messages at the beginning of each month to coincide with the Newsletter delivery. For those receiving the Newsletter by e-mail I will send this Ringmaster synopsis. If anyone would like to receive this (and the Newsletter) by e-mail please contact me and I will add you to the mailing list.
