What's on in January?

Community Advent Calendar

Many thanks to Jenny Bumby for her brilliant idea of having a community advent calendar. Hope everyone enjoyed the Advent windows.

RNIB Christmas stamp appeal

Please save your used stamps from your Christmas cards and parcels and the RNIB can recycle them to make a difference for blind and partially sighted people. Any collected I am happy to send off, just drop them off at Ivy House, Main Street, by Jan 7th 2021. Thankyou Lyndsay Tidswell.

Christmas Tree Recycling

If you are wondering what to do with your Christmas tree then Peter Bloom is looking for around 20 “non-drop” varieties to place in the aviaries at the Bird Display. This will provide additional shelter and enrichment for some of the inhabitants at the Bird Display. If you have such a tree then ring **668368** and leave a message and I will collect them at the weekend.

Nature Notes - Alec & Peter

Defibrillator

To all those who have donated their time and money towards the defibrillator thank you for your patience, there is now light at the end of the tunnel!

It has been agreed that the Village Hall will take over from the Parish Council so hopefully in the coming months we will have a defibrillator situated at the Village Hall. More information regarding the installation in the near future.

– Susan Bloom Secretary Village Hall.
