## New "Moleman" and Pest Controller in Village

I recently moved into the village and live in a brand new residential lodge at The Corner, Ashfield Caravan Park. I received a newsletter 284 Jan 2021 in the post box thank you. You could add me to your email subscribers to help keep your costs down. I would be grateful if you could add my business to the Local Services and Goods List: Kirkby Garden & Pest Control Services

You may have heard that I have created a Facebook page called Kirby Misperton Wildlife and Fauna (which I'm thinking of changing its name to Kirby Misperton in Photographs). The page has approx. 42 members since I put it up on 24 December and people are encouraged to put up photos they have taken in and around the village.

Kind regards. - Steve Poole

## Victoria Timpson

I am very sorry to advise of the death of Victoria Timpson of 1 Rose Cottage who died on Friday 22<sup>nd</sup> of a heart attack aged 54.

She had been a good neighbour and friend ever since we moved in to the village about 20 years ago. She had a great sense of humour and was known to us as the "mad cat woman" due to her obsession with caring for any cats passing by. She was looking after four cats when I last looked.

For the past year she had acted as a carer for her very poorly mother in Bridlington. She has one sister, Estelle. The funeral it will be on 8th February at 4.30. No flowers but donations to the cat protection league. I haven't heard any further details about the live streaming so I will put that on the Kirby Misperton facebook page. - Peter Winter

## Telephone Vaccine scam

Colin Brewer reported a possible Covid vaccine scam with a phone call offering a vaccination jab. In addition be aware of email scams.

## New Covid vaccination phishing email

NYP have been made aware of a new phishing email scam which has landed in many people's inboxes. The email is designed to appear as if it is from the NHS and asks the recipient to follow a link to book their vaccination which involves filling out extensive personal details.

**X**If you receive an email like this, DO NOT click on any links and delete it straightaway.

**Scammers** are relentless in their quest to try and trick people out of their money so let's make sure they are unsuccessful by telling as many people about this new scam as possible.

Remember:

You don't need to apply for it

You don't have to pay to receive it

You don't need to share bank details to confirm your identity
