

Greetings to all parents/ carers/ grannies and grandpas
I hope this finds you and your child(ren) well during this
challenging time. The Government guidelines are that
Parent/Carer & Toddler Groups can open. We are Covid safe
Which means toys have been washed and sanitised. We hope
to welcome you back on **Monday 6th September 10-11.30am**

We will serve a few refreshments for the children, but if you
prefer to bring your own we quite understand. Of course tea/
coffees will be available for the adults. Wearing masks is
optional. We will be keeping windows open to circulate the air
Looking forward to seeing you

Jackie Cray

Barbara Stonehouse
