Village Dinner

After the success of the collaborative Sunday Lunch on Sept 5th the Blooms will host the first Village Dinner with a Paella & Cava Evening on Saturday 23rd October at 7.00pm to restart this monthly Village get-together. Due to the size of the Paella pan the event is limited to the first 20 persons who book before Thurs 21st October. £10/person
Ring Peter and Susan on 668368 and leave message or email parrotandseal@hotmail.com

Newspaper delivery

Unfortunately Malton News have stopped delivering to the village in the mornings and now their papers come with Royal Mail around midday.
However Stephensons, who deliver milk to the village early mornings also deliver newspapers to other villages but to be viable they need around eight householders to sign up to include KM. So if you like newspapers at breakfast time ring Stuart 01751 476646.

Farm Safety Leaflet

(This will be sent out on the email circulation)

In light of the rural nature of our fine county NYFRS have launched a new initiative regarding Farm Fire Safety, incorporating other preventative measures on how to stay safe, your own wellbeing, what support is available to the community and what we can do to help.

I have included a link to our website for you to download the Farm Fire Safety booklet we have produced and attached a leaflet. I'd be very appreciative if you could share this far and wide throughout your community and possibly affix one of the leaflets to your local information / village & town halls notice boards or include the link within your respective newsletters.
